

ADDENDUM

CAST IRON COMMERCIAL HOT WATER OR STEAM REPAIR PARTS

Manual Number 240006858 REV D [06/2011]

The following changes apply to water boilers only:

Repair Parts Manual 240006858 chart page 2-3, Complete Material List (See Figures A and B).

WA-4 include Safety relief valve 14622313, Conbraco 10-616-05 with discharge capacity of 2,716,000 Btuh.

Discharge capacity of Model 3000 is 2,415,000 Btuh. Conbraco 10-616-05 is acceptable for on models 2700-3000.

Accessory carton parts list components may in some cases include additional parts. See chart page 4. Save for future use or discard these parts.

Manuals and rating plate previously provided with Accessory carton are now being provided in separate rating plate kit.

Chart page 4 replaces chart from Repair Parts Manual pages 4-5.

See chart page 2-3 AC Carton showing replacement listed below.

- Models 300-500, Part Numbers 550001676, 550001677 have been replaced with 550001678.
- Models 600-1000, Part Numbers 550001679, 550001680, 550001681, 550001682 have been replaced with 550001683.
- Models 1100-1500, Part Numbers 550001684, 550001685, 550001686, 550001687 have been replaced with 550001688.
- Models 1600-2000, Part Numbers 550001689, 550001690, 550001691, 550001692 have been replaced with 550001693.
- Models 2100-2500, Part Numbers 550001694, 550001695, 550001696, 550001697 have been replaced with 550001698.
- Models 2600-3000, Part Numbers 550001699, 550001700, 550001701, 550001702 have been replaced with 550001703.
